

Announcements--Continued

A Great Social Evening is being planned for by the Woman's Aid Society for everybody and your friends. Watch for later announcements about it. Reserve the evening of April 30th.

This will be Mr. Schaeffer's last evening with us in the leading of our Gospel Song Service. He has done most excellent work. His leading of the singing has been the best we have ever had and we are a thousandfold grateful to him for it. He has refused to take any remuneration for his services, saying that he was most happy to do it and all that he could, for the Glory of the Lord. We thank him most heartily and will always remember him in our prayers and carry that memory in our affections.

Dr. King will speak next Sunday morning on "When I Awake". That evening Mr. John H. Campbell will deliver an address upon "The Resurrection and Appearance of Christ". This will be illustrated with some 36 reproductions of the most wonderful paintings in existence. Dr. King will conduct the Communion at our 11th Temple Chapel at 7:30 and will expect to get back here before the service closes.

We extend a very hearty welcome to those who unite with the church today; also those who were received last Sunday. We are exceedingly happy to have you members with us and we hope and pray that you will derive the greatest blessing and happiness from your membership in the church and that you will be with us every Sunday. Your names and addresses will appear upon the Leaflet next Sunday.

Of course we are all going to "turn out" for our Annual June Walk on Saturday, June 5. Our showing has been excellent in preceding years. Let this be the "best ever". Remember the date: SATURDAY, JUNE 5th, at 1 o'clock.

The United Sunday School Extension to Adair Park and Queens Grove on Friday, July 12th, 1920. Watch the bulletin for full particulars.

You are invited to attend a Pageant, showing Life in Many Nations, by a great company of Children and Adults, at the First Presbyterian Church, Broad Street, near Market, at 8 o'clock, on Friday evening of this week. This will be most interesting and you will enjoy it.

Announcements

The Missionary Society will meet in the Chapel at 7:30 next Friday afternoon. Every member is urged to be present. Plans for Dr. Wild's coming on Tuesday will be perfected.

We extend the heartiest congratulations to the Woman's Aid Society upon its contribution to the church since the first of the year. These excellent workers gave \$250 as a New Year's offering and today gave \$250 more as an Easter offering. This is indeed excellent and we thank and commend them in the highest for it.

The Junior Christian Endeavors are on this Easter morning preparing to sing a \$150 song. It is so because they are giving an Easter offering of \$100 to the church. We give Mr. and Mrs. Kitchcock and all the Juniors our very heartiest thanks for this fine contribution. They have added many stars to their Christian Crown for their work in making this offering.

The Rev. Dr. W. F. Wild, of North India, will be the speaker at the Tuesday evening service. He will speak upon his work as a missionary among the people of that nation. It is OUR OVERSEAS MESSENGER EVENING. Dr. Wild's address will be extremely interesting. You will miss a very good treat if you do not hear him. Invite many friends and come.
